

Alabama

Summer 2011

Title V Women's Health-Related Priority Needs:

- ▶ Promote access to a medical home and to basic health care for children, youth, and women of childbearing age.
- ▶ Reduce the prevalence of obesity among children, youth, and women of childbearing age.
- ▶ Reduce the prevalence of violent behavior, including homicide and suicide, committed by or against children, youth, and women.
- ▶ Promote access to a dental home and to preventive and restorative dental care for children, youth, and women of childbearing age.
- ▶ Promote access to mental health services for children, youth, and women of childbearing age.

State Performance and Outcome Measures Associated with Women's Health-Related Priority Needs

Of the State Performance Measures developed by the Title V agency, none of the measures specifically addressed women's health outside of pregnancy.

Additional Data Associated with Women's Health-Related Priority Needs

This section lists other data sources that Title V agencies included in their 2010 Needs Assessments regarding the status of women's health outside of pregnancy.

Rate of violent crime committed against women.

Data Source: Uniform Crime Reporting System data

The information presented here reflects only women's health-related content reported by the Title V agency in its FY 2011 MCH Block Grant Application, FY 2009 Annual Report and 2010 Needs Assessment. This information, as well as all Title V agencies' most current priority needs, performance and outcome measures, can be found at:
