

Kansas

Summer 2011

Title V Women's Health-Related Priority Needs:

- ▶ Provide Kansas women with early and comprehensive health care before, during, and after pregnancy.
- ▶ Address the mental and behavioral health needs of pregnant women and new mothers.

State Performance and Outcome Measures Associated with Women's Health-Related Priority Needs

State Performance Measure: Increase the percent of women in their reproductive years with adequate information and support to make sound decisions about their health care.

Data Source: Text4baby

Measure Definition: Percent of women in their reproductive years with adequate information and support to make sound decisions about their health care.

State Performance Measure 2: Reduce the percent of women in their reproductive years (aged 18–44) who report consuming four or more alcoholic drinks on one occasion in the past 30 days.

Data Source: BRFSS

Measure Definition: Percent of women in their reproductive years (aged 18–44) who report consuming four or more alcoholic drinks on one occasion in the past 30 days.

Additional Data Associated with Women's Health-Related Priority Needs

This section lists other data sources that Title V agencies included in their 2010 Needs Assessments regarding the status of women's health outside of pregnancy.

Percent of women aged 18 to 44 who lacked health care coverage.

Data Source: BRFSS

Percent of women aged 18–44 who report that their mental health was not good for at least 14 out of the past 30 days.

Data Source: BRFSS

Number of women admitted to substance abuse treatment from 2000 to 2009 in Kansas; percent of women whose primary problem was cited as alcohol, marijuana, cocaine, methamphetamine, or other.

Data Source: Kansas Department of Social and Rehabilitation Services

Percent of women having a live birth who drank 3 months prior to pregnancy.

Data Source: Pregnancy Nutrition Surveillance System

The information presented here reflects only women's health-related content reported by the Title V agency in its FY 2011 MCH Block Grant Application, FY 2009 Annual Report and 2010 Needs Assessment. This information, as well as all Title V agencies' most current priority needs, performance and outcome measures, can be found at:
