

Michigan

Summer 2011

Title V Women's Health-Related Priority Needs:

- ▶ Reduce obesity in children, including children with special health care needs, and women of childbearing age.
- ▶ Reduce intimate partner and sexual violence.
- ▶ Reduce discrimination in health care services in publicly-funded programs.
- ▶ Increase the proportion of intended pregnancies.
- ▶ Address environmental issues (asthma, lead, secondhand smoke) affecting children, youth, and pregnant women.
- ▶ Increase access to dental care for pregnant women and children, including children with special health care needs.

State Performance and Outcome Measures Associated with Women's Health-Related Priority Needs

State Performance Measure 1: Increase the rate of intended pregnancies among all racial and ethnic groups.

Data Source: PRAMS

Measure Definition: Number of intended pregnancies in relation to the total number of pregnancies for a calendar year.

State Performance Measure 4: Reduce the percent of singleton births to mothers with a BMI at start of pregnancy greater than 29.0.

Data Source: Vital statistics

Measure Definition: Percent of singleton births to mothers with a BMI greater than 29.0 at the start of pregnancy.

State Performance Measure 7: Reduce the percent of women physically abused during the 12 months prior to pregnancy.

Data Source: PRAMS; vital statistics

Measure Definition: Rate of women experiencing physical abuse prior to their pregnancy according to PRAMS.

Additional Data Associated with Women's Health-Related Priority Needs

This section lists other data sources that Title V agencies included in their 2010 Needs Assessments regarding the status of women's health outside of pregnancy.

Percent of women who are involved in physical abuse 12 months prior to pregnancy.

Data Source: PRAMS

Percent of women who had a live birth and reported being exposed to secondhand smoke at home.

Data Source: Not specified

Percent of women with Medicaid who have a primary care provider compared to women with private insurance.

Data Source: BRFSS

The information presented here reflects only women's health-related content reported by the Title V agency in its FY 2011 MCH Block Grant Application, FY 2009 Annual Report and 2010 Needs Assessment. This information, as well as all Title V agencies' most current priority needs, performance and outcome measures, can be found at: <https://perfddata.hrsa.gov/MCHB/TVISReports/MeasurementData/MeasurementDataMenu.aspx>
