

MCH TRAINING PROGRAM DATA FORMS

Faculty and Staff Information

List all personnel (faculty, staff, and others) contributing¹ to your training project, including those listed in the budget form and budget narrative and others that your program considers to have a central and ongoing role in the leadership training program whether they are supported or not supported by the grant.

Personnel (Do not list trainees)						
Name	Ethnicity (Hispanic or Latino, Not Hispanic or Latino, Unrecorded)	Race (American Indian or Alaska Native, Asian, Black or African American, Native Hawaiian or Other Pacific Islander, White, More than One Race, Unrecorded)	Gender (Male or Female)	Discipline	Year Hired in MCH Leadership Training Program	Former MCHB Trainee? (Yes/No)
Faculty						
Staff						
Other						

¹ A 'central' role refers to those that regularly participate in on-going training activities such as acting as a preceptors; teaching core courses; and participating in other core leadership training activities that would be documented in the progress reports.

Trainee Information (Long-term Trainees Only)

Definition: Long-term trainees (those with greater than or equal to 300 contact hours within the training program) benefiting from the training grant (including those who received MCH funds and those who did not).

Total Number of long-term trainees participating in the training program* _____

Name

Epidemiology training grants ONLY

Length of time receiving support: _____

Research Topic or Title _____

*All long-term trainees participating in the program, whether receiving MCH stipend support or not.

Former Trainee Information – REVISED SEPT 2015

The following information is to be provided for each long-term trainee who completed the Training Program 2 years and 5 years prior to the current reporting year.

Definition of Former Trainee = Long-term trainees who completed a long-term (greater than or equal to 300 contact hours) MCH Training Program 2 years and 5 years ago, including those who received MCH funds and those who did not.

- Project does not have any trainees who have completed the Training Program **2 years** prior to current reporting year.
- Project does not have any trainees who have completed the Training Program **5 years** prior to current reporting year.

Name	Year Graduated	Degree(s) Earned with MCH support (if applicable)	Was University able to contact the trainee?	City of Residence	State of Residence	Country of Residence	Current Employment Setting (<i>see pick list below*</i>)	Working in Public Health organization or agency (including Title V)? (Yes/No)	Working in MCH? (Yes/No)	Working with underserved populations or vulnerable groups**? (Yes/No)	Met criteria for Leadership in PM 08? (Yes/No)	Met criteria for interdisciplinary practice in PM 60? (Yes/No)

* Employment pick list

- Student
- Schools or school system includes EI programs, elementary and secondary
- Post-secondary setting
- Government agency
- Clinical health care setting (includes hospitals, health centers and clinics)
- Private sector
- Other (specify)

** The term “underserved” refers to “Medically Underserved Areas and Medically Underserved Populations with shortages of primary medical care, dental or mental health providers. Populations may be defined by geographic (a county or service area) or demographic (low income, Medicaid-eligible populations, cultural and/or linguistic access barriers to primary medical care services) factors. The term "vulnerable groups," refers to social groups with increased relative risk (i.e. exposure to risk factors) or susceptibility to health-related problems. This vulnerability is evidenced in higher comparative mortality rates, lower life expectancy, reduced access to care, and diminished quality of life.

Vulnerable Groups refers to social groups with increased relative risk (i.e. exposure to risk factors) or susceptibility to health-related problems. This vulnerability

is evidenced in higher comparative mortality rates, lower life expectancy, reduced access to care, and diminished quality of life. (i.e, Immigrant Populations Tribal Populations, Migrant Populations, Uninsured Populations, Individuals Who Have Experienced Family Violence, Homeless, Foster Care, HIV/AIDS, etc)

MCH TRAINING PROGRAM TRAINEE FOLLOW-UP SURVEY

Contact / Background Information

***Name** (first, middle, last): _____
Previous Name (if used while enrolled in the training program): _____
***Address:** _____

City State Zip
Phone: _____
Primary Email: _____

Permanent Contact Information (someone at a different address who will know how to contact you in the future, e.g., parents)

***Name of Contact:** _____
Relationship: _____
***Address:** _____

City State Zip
Phone: _____

What year did you complete the MCH Training Program? _____

Degree(s) earned while participating in the MCH Training Program _____ (a pick list will be provided-same as the one provided in the EHB faculty information form)

Ethnicity: (choose one)

Hispanic is an ethnic category for people whose origins are in the Spanish-speaking countries of Latin America or who identify with a Spanish-speaking culture. Individuals who are Hispanic may be of any race.

- Hispanic or Latino**
- Not Hispanic or Latino**
- Unrecorded**

Race: (choose one)

American Indian and Alaskan Native refer to people having origins in any of the original peoples of North and South America (including Central America), and who maintain tribal affiliation or community attachment. Tribe: _____

Asian refers to people having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent (e.g. Asian Indian).

Black or African American refers to people having origins in any of the Black racial groups of Africa.

Native Hawaiian and Other Pacific Islander refers to people having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White refers to people having origins in any of the original peoples of Europe, the Middle East, or North Africa.

More than One Race includes individuals who identify with more than one racial designation.

Unrecorded is included for individuals who do not indicate their racial category.

Survey

Please answer all of the following questions as thoroughly as possible. When you have filled out the entire survey, return it to your Center/Program.

1. What best describes your current employment setting:

- Student
- Schools or school system (includes EI programs, elementary and secondary)
- Post-secondary setting
- Government agency
- Clinical health care setting (includes hospitals, health centers and clinics)
- Private sector
- Other: please specify: _____

2. Do you currently work in a public health organization or agency (including Title V)? Y/N

3. Does your current work focus on Maternal and Child Health (MCH) populations (i.e. women, infants and children, adolescents, young adults, and their families including fathers, and children or young adults with special health care needs?)

- yes
- no

4. Does your current work focus on populations considered to be underserved or vulnerable² (e.g., immigrant, tribal, migrant, or uninsured populations, individuals who have experienced family violence, homeless, foster care, HIV/AIDS, people with disabilities)

- yes
- no

5. Have you done any of the following activities since completing your training program? (check all that apply)

- a. Participated on any of the following as a group leader, initiator, key contributor or in a position of influence/authority: committees of state, national or local organizations; task forces; community boards; advocacy groups; research societies; professional societies; etc.
- b. Served in a clinical position of influence (e.g. director, senior therapist, team leader, etc.)
- c. Provided consultation or technical assistance in MCH areas
- d. Taught/mentored in my discipline or other MCH related field
- e. Conducted research or quality improvement on MCH issues
- f. Disseminated information on MCH Issues (e.g., Peer reviewed publications, key presentations, training manuals, issue briefs, best practices documents, standards of care)
- g. Served as a reviewer (e.g., for a journal, conference abstracts, grant, quality assurance process) (ac, c)
- h. Procured grant and other funding in MCH areas
- i. Conducted strategic planning or program evaluation

- j. Participated in public policy development activities (e.g., Participated in community engagement or coalition building efforts, written policy or guidelines, provided testimony, educated policymakers, etc)

² The term "underserved" refers to "Medically Underserved Areas and Medically Underserved Populations with shortages of primary medical care, dental or mental health providers. Populations may be defined by geographic (a county or service area) or demographic (low income, Medicaid-eligible populations, cultural and/or linguistic access barriers to primary medical care services) factors. The term "vulnerable groups," refers to social groups with increased relative risk (i.e. exposure to risk factors) or susceptibility to health-related problems. This vulnerability is evidenced in higher comparative mortality rates, lower life expectancy, reduced access to care, and diminished quality of life.

___ k. None

6. If you checked any of the activities above, in which of the following settings or capacities would you say these activities occurred? (check all that apply)

- ___ a. Academic
- ___ b. Clinical
- ___ c. Public Health
- ___ d. Public Policy & Advocacy

7. Have you done any of the following interdisciplinary activities since completing your training program? (check all that apply)

- a. Sought input or information from other professions or disciplines to address a need in your work
- b. Provided input or information to other professions or disciplines.
- c. Developed a shared vision, roles and responsibilities within an interdisciplinary group.
- d. Utilized that information to develop a coordinated, prioritized plan across disciplines to address a need in your work
- e. Established decision-making procedures in an interdisciplinary group.
- f. Collaborated with various disciplines across agencies/entities
- g. Advanced policies & programs that promote collaboration with other disciplines or professions
- h. None

(end of survey)

Confidentiality Statement

Thank you for agreeing to provide information that will enable your training program to track your training experience and follow up with you after the completion of your training. Your input is critical to our own improvement efforts and our compliance with Federal reporting requirements. Please know that your participation in providing information is entirely voluntary. The information you provide will only be used for monitoring and improvement of the training program. Please also be assured that we take the confidentiality of your personal information very seriously. We very much appreciate your time and assistance in helping to document outcomes of the Training Program. We look forward to learning about your academic and professional development.

Medium Term Trainees – REVISED SEPT 2015

DEFINITION: Medium term trainees are trainees with 40 - 299 contact hours in the current reporting year.

Medium-term Trainees with 40-149 contact hours during the past 12-month grant period

Total Number _____

Disciplines (check all that apply):

- Audiology
- Dentistry-Pediatric
- Dentistry – Other
- Education/Special Education
- Family Member/Community Member
- Genetics/Genetic Counseling
- Health Administration
- Medicine-General
- Medicine-Adolescent Medicine
- Medicine-Developmental-Behavioral Pediatrics
- Medicine-Neurodevelopmental Disabilities
- Medicine-Pediatrics
- Medicine-Pediatric Pulmonology
- Medicine – Other
- Nursing-General
- Nursing-Family/Pediatric Nurse Practitioner
- Nursing-Midwife
- Nursing – Other

Continuing Education Form – REVISED SEPT 2015

Continuing Education is defined as continuing education programs or trainings that serve to enhance the knowledge and/or maintain the credentials and licensure of professional providers. Training may also serve to enhance the knowledge base of community outreach workers, families, and other members who directly serve the community. Additional details about CE activities will be collected in the annual progress report.

A. Provide information related to the total number of CE activities provided through your training program last year.

Total Number of CE Participants _____
 Total Number of CE Sessions/Activities _____

Number of CE Sessions/Activities by Primary Target Audience

Number of **Within Your State** CE Activities _____
 Number of CE Activities **With Another State** _____
 Number of **Regional** CE Activities _____
 Number of **National** CE Activities _____
 Number of **International** CE Activities _____

Number of CE Sessions/Activities for which Credits are Provided _____

B. Topics Covered in CE Activities *Check all that apply*

- | | |
|---|--|
| A. Clinical Care-Related (including medical home) | <input type="checkbox"/> Women’s Reproductive/ Perinatal Health |

MCH PIPELINE PROGRAM GRADUATE FOLLOW-UP QUESTIONS – NEW SURVEY

Please answer all of the following questions as thoroughly as possible. When you have filled out the entire survey, return it to your Pipeline Program Director.

What year did you graduate from the MCH Pipeline Program? _____

- 1. Are you currently enrolled or have you completed a graduate school program that is preparing you to work with the MCH population?**

- Yes
 No

NOTE: Graduate programs preparing graduate students to work in the MCH population include:

Medicine (e.g. Pediatric, Ob/Gyn, Primary Care), public health, MCH nutrition, public health social work, MCH nursing, pediatric dentistry, psychology, health education, health administration, pediatric occupational/physical therapy, speech language pathology.

- 2. Have you worked with Maternal and Child Health (MCH) populations since graduating from the MCH Pipeline Training Program?** (i.e., women, infants and children, adolescents, young adults, and their families, including fathers, and children and youth with special health care needs,)?

- Yes
 No

- 3. Have you worked with populations considered to be underserved or vulnerable³ since graduating from the MCH Pipeline Training program?** (e.g., Immigrant Populations Tribal Populations, Migrant Populations, Uninsured Populations, Individuals Who Have Experienced Family Violence, Homeless, Foster Care, HIV/AIDS, health disparities, etc)

- Yes
 No

³ The term “underserved” refers to “Medically Underserved Areas and Medically Underserved Populations with shortages of primary medical care, dental or mental health providers. Populations may be defined by geographic (a county or service area) or demographic (low income, Medicaid-eligible populations, cultural and/or linguistic access barriers to primary medical care services) factors. The term “vulnerable groups,” refers to social groups with increased relative risk (i.e. exposure to risk factors) or susceptibility to health-related problems. This vulnerability is evidenced in higher comparative mortality rates, lower life expectancy, reduced access to care, and diminished quality of life.

Vulnerable Groups refers to social groups with increased relative risk (i.e. exposure to risk factors) or susceptibility to health-related problems. This vulnerability is evidenced in higher comparative mortality rates, lower life expectancy, reduced access to care, and diminished quality of life. (i.e. Immigrant Populations Tribal Populations, Migrant Populations, Uninsured Populations, Individuals Who Have Experienced Family Violence, Homeless, Foster Care, HIV/AIDS, etc) *Source: Center for Vulnerable Populations Research.
