Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Program Grant Awards

In FY 2027, HRSA continues to advance the reach and impact of the Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Program by supporting the expansion of evidence-based home visiting services, strengthening the home visiting workforce, and advancing state and jurisdiction leadership within early childhood systems. FY 2027 funding provides opportunities for awardees to reach more families and communities, strengthen and sustain a qualified home visiting workforce, and maximize MIECHV's role within coordinated systems of services and supports for children and families.

MIECHV funding consists of federal base funds and, for awardees that choose to apply, federal matching funds. HRSA allocates base and matching funds according to formulas established in statute. Funding ceiling amounts reflect the most current information regarding sequestration. In FY 2027, MIECHV base and matching appropriations are reduced by 5.7 percent due to sequestration.

Federal base funding. HRSA calculates each state or jurisdiction's **federal base funding ceiling amount** based on its share of children under age 5. As specified in statute, HRSA uses the most recent U.S. Census data available before FY 2023 to determine this share. In FY 2027, HRSA will distribute additional base funds to eligible applicants according to the statutory formula; these funds are reflected in each applicant's federal base funding ceiling. Additional base funds include base funds that were not used by awardees in prior fiscal years and were returned to HRSA. The federal base funding ceiling is the maximum amount of base funding for which an eligible applicant may apply.

Federal matching funding. Matching funds have been available to MIECHV awardees since FY 2024, with increasing amounts available through FY 2027. HRSA calculates each state or jurisdiction's **federal matching funding ceiling amount** based on its share of children under age 5 living in families with incomes below the federal poverty level. HRSA uses the most recent U.S. Census data available at the time of the calculation to determine this share.[1] Matching funds provide awardees with an optional opportunity to expand MIECHV services and strengthen the reach and impact of their home visiting programs.

Additional matching funds. Since FY 2025, awardees have also been able to apply for **additional matching funds**. These funds may include matching funds that HRSA did not distribute in the previous fiscal year as well as matching funds that were not used by awardees in prior fiscal years and were returned to HRSA. Applying for federal matching funds and additional matching funds is optional; awardees are not required to request these funds.

[1] 2025 American Community Survey, ACS 1-Year Estimates Detailed Tables was released on October 29, 2026 and is available here: *https://data.census.gov/table/ACSDT1Y2025.B17006?q=children+under+age+5+poverty&t=Age+and+Sex:Families+and+Household+Characteristics:Family+Size+and+Type:Populations+and+People&g=010XX00US$0400000&y=2025.

Workforce stabilization supplement. In FY 2027, awardees will also receive a **one-time workforce stabilization supplement** to support strategies that will retain the current home visiting workforce. This investment supports MIECHV's broader commitment to strengthening and sustaining the home visiting workforce and advancing the National Strategy for the Home Visiting Workforce. HRSA calculates supplemental funding using the federal base funding formula methodology, with a minimum award amount of $100,000.

Together, these FY 2027 investments provide awardees with resources and opportunities to expand access to high-quality home visiting services, strengthen the workforce needed to deliver those services, and exercise leadership in building more coordinated and responsive systems for children and families.

Eligibility for FY 2027 MIECHV funding is limited to current MIECHV awardees that have been notified by HRSA of their applicable federal base and matching funding ceiling amounts.

FY27 MIECHV Program Grant Award Ceilings and tables of historic funding are available below.
