**Continuing Education Form**

Continuing Education is defined as continuing education programs or trainings that serve to enhance the knowledge and/or maintain the credentials and licensure of professional providers. Training may also serve to enhance the knowledge base of community outreach workers, families, and other members who directly serve the community. Additional details about CE activities will be collected in the annual progress report.

NOTE: Short-term trainees are **not** considered CE participants.

A. Provide information related to the total number of CE activities provided through your training program last year.
