

Ensuring MCH Populations Have Health Insurance

Challenge

Waivers put in place during the COVID-19 pandemic to make sure people had Medicaid or CHIP coverage **ended on March 31, 2023**. States are now deciding who still qualifies for coverage.

Solutions

1. Help connect people to their State Medicaid or CHIP program to update contact information and complete paperwork.
2. Help people who no longer qualify for Medicaid or CHIP apply for coverage through:
 - **HealthCare.gov** (most people can find a plan for \$10 or less per month)
 - **Medicare.gov** (for people 65 or older)
 - **Employer-sponsored coverage**
